What have we heard them say?
What can we imagine them saying?

Elections are by the people directly to the Lok Sabha and each state is divided into territorial constituencies under two provisions of the Constitution: Each state is allotted several seats in the Lok Sabha in such a manner that the ratio between that number and its population was as close to uniform as possible.

They maintain discipline and decorum in the house and can punish a member for their *unruly behaviour* by suspending them. They permit the moving of various kinds ...

General elections were held in India in seven phases from 11 April to 19 May 2019 to elect the members of the 17th Lok Sabha.

The election was scheduled to be held in seven phases. In Bihar, Uttar Pradesh and West Bengal, the election was held in all seven phases. The polling for the Anantnag constituency in the state of Jammu and Kashmir was held in three phases, due to violence in the region.[24]

The Lok Sabha can remove the Council of Ministers if they wish to. Financial Powers – No tax can be collected without the Lok Sabha's authority or the approval. Constituent Powers – It has the power to make amendments in the Constitution.

What are the characteristics of Lok Sabha?
The Lok Sabha is composed of representatives of people chosen by direct election on the basis of Universal Adult Suffrage. The Constitution of India allows for a maximum of 550 members in the House, with 530 members representing the States and 20 representing the Union Territories.

Thinks

What are their wants, needs, hopes, and dreams?

Though the youth undoubtedly possess the mettle required for the country's growth, there is a feeling of unrest circulating among them today. We must awaken their inner strength and provide them with development opportunities," Modi said.

We must awaken their inner strength and provide them with development opportunities,"

Each political factor **influences the process of economic development within a country.** It's important to note that political factors do not act alone. They interact with one another and with other factors that influence economic development, such as sociocultural norms, economics, and administrative influences.

People would elect their representatives to the Parliament, then, one group from among these elected representatives forms the government. The Parliament, which is made up of all representatives together, controls and guides the government.

Anxiety Causes Frustration and Anger ... While many people think anxiety immediately leads to *feelings of anger*, it usually leads to frustration ...

Anxiety is often connected with overstimulation from a stressful environment or threat, combined with the perceived inability to deal with that threat. In contrast, anger is often tied to frustration. Often when anxiety is left unacknowledged and unexpressed, it can turn into frustration, which can lead to anger.
